Comment Text:

COMMENT

[1] ?Appropriate action? means action intended and reasonably likely to help the judge or lawyer in question address the problem and prevent harm to the justice system. Depending upon the circumstances, appropriate action may include but is not limited to speaking directly to the impaired person, notifying an individual with supervisory responsibility over the impaired person, or making a referral to an assistance program.

[2] Taking or initiating corrective action by way of referral to an assistance program may satisfy a judge?s responsibility under this Rule. Assistance programs have many approaches for offering help to impaired judges and lawyers, such as intervention, counseling, or referral to appropriate health care professionals. Depending upon the gravity of the conduct that has come to the judge?s attention, however, the judge may be required to take other action, such as reporting the impaired judge or lawyer to the appropriate authority, agency, or body. See Rule 2.15.

[3A] Judges may exercise discretion in referring a lawyer or another judge to the Arkansas Judges and Lawyers Assistance Program. See Rule 2.15.
